(Unlocks after Track 3 is completed) Beautiful achievements voxel GraphicsGameServices and rankingsKids will love Follow us for the latest news and news of the game! Created by Dogbyte Games, creator of Offroad Legends, Redline Rush and Dead Venture.Setup:APK install it on your device. com.crescentmoongames.blocky_roads folder android/obb copy in. Get into the game. Are you interested in impressive hill racing? Enjoy the interactive and enjoyable gameplay of the hill race with side scroll cards and cube-shaped vehicles? Ready to take on massive and tricky hill tracks, snow mountains, desert dunes, and so on? Then you're definitely in the right place for an epic hill racing action with Blocky Roads.Enjoy the fun and interesting gameplay of 3D racing in side-scrolling maps and with your blocky vehicles, which isn't something you often see. Ride all kinds of interesting vehicles, take to epic race tracks with varied configurations, and test your skills in awesome racing challenges. Learn more about this amazing game from DogByte Games with our reviews of Blocky Roads.StoryIn the game, Android players will find themselves playing like a farmer whose farm was severely damaged due to the recent tornado. And now, with everything torn apart, you'll need to embark on your ultimate racing challenges around the world to bring back parts of your farm, which have been scattered all over because of the tornado. Dive into the awesome racing gameplay as you take your epic tricks in your search for the broken part of your farms. Take on multiple racing challenges that would take you around the world. Climb into the amazing maps where you will be able to have a lot of fun while searching for your lost farm. And most importantly, the game will allow players to freely create their own rides using the blocks and coins available. This makes it much more fun and enjoyable game than it already is. And who knows, you can also find yourself exploring the game to the fullest with this interesting car craft option. Last but not least, although your farm doesn't have much left, you can still have fun by spending some of your time taking care of animals and crops. And as you progress through the game and collect more parts of you lost the farm, firm, would also be more interesting agricultural gameplay for you to explore. So stay tuned if you're interested. Here you'll find all the exciting features that the game has to offer. Find yourself enjoying the awesome driving gameplay in Blocky Roads to the max with the intuitive 3D graphics and realistic graphics in the game. That being said, players will find themselves exploring the fun side-scrolling racing gameplay. Start by taking advantage of intuitive touch controls when you efficiently move your car up and down, accelerate or brake with few problems. Use intuitive controls to keep your vehicle balanced so you can land safely on rough terrain. Pay attention to health as every time you make a bad landing or being hit by the rock fall, you will lose a certain amount of HP. If it reaches zero, your car would explode and the race would be over. And as you dive into exciting races, Blocky Roads players will find themselves having access to several race tracks with various configurations. With each new track, you'll also have fun with lots of new gameplay and challenges. Start by enjoying the game in 12 current tracks with 4 challenge tracks to test your skills. With new updates, the game will also provide new features and gameplay that would satisfy even the most skeptical players. To make your walks more interesting and comfortable, Blocky Roads players will find themselves being introduced to a variety of interesting vehicles on which you can ride and start the race. These include impressive trucks, bikes, monster trucks, tanks, and even scooters. Therefore, you will have access to the vast and interesting collection of cars with the game. In addition, with many different choices, you will also find it easy enough to pick up another type of vehicle to help you cope with certain carts. And as you ride in the awesome races in the game, Blocky Roads players will also be able to collect several buffs and boosts along their way. Feel free to have some interesting nitro boosts yourself, valuable parts, useful gas, and so on. Have access to several buffs along the way to effectively overcome challenges in the game. And for those of you who are interested, you are also able to customize your characters in the game to the way you wanted. By using the options provided, you can easily change skin tone, facial features, clothing, and many interesting features. Completely change the way your character would look by having your driver dressed with all sorts of To make the game more interesting, Blocky Road players are also able to design their own blocky cars, which is absolutely amazing. Here you are free to build and design your cars using the supplied blocks that you put on its new parts and components. And if you want, you can always paint your own car block by block. Freely adjust colors and design to have unique and epic vehicles. Just keep in mind that you would need to complete the third track if you want to have the editor the editor In addition, with your cars already having their perfect designs, you can start to focus on increasing speed, handling, stability, health, and other important aspects of them. Feel free to choose between several upgrades that are available in the game to have you a capable turn that would help you conquer the different tracks. Connect to Google Play services for more contentSum, Blocky Roads players can also connect their game to the Google Play Services account to unlock many interesting content. Start by having access to your friends who also play the game and start competing with them and other online players in the epic leaderboards. And as the game progresses, you can also spend your time completing the awesome achievements in the game, which would provide special rewards. Plus, with your game-related account, you'll also unlock the useful online savings option. With this, your progress will be automatically recorded on your online cloud players and you can easily sync it between your different devices, which is absolutely amazing. And despite having all these amazing features, the game is currently free for all Android players to enjoy on their mobile devices. Therefore, you will find that it is relatively easy to download and install the game from the Google Play Store.Since the game is still a freemium title, you are bound to have ads and in-game purchases in your blocked roads. Therefore, many players might find it a bit annoying and limiting. And if so, you can always go for our modified version of Blocky Roads, which is completely free for you to enjoy. Just download and install the Blocky Roads Mod APK and you'll be good to go. For those of you who are interested in the blocky style of graphics, Blocky Roads will definitely satisfy you with its beautiful voxel graphics. In addition, friendly and inviting designs will also ensure that children and most players would find the game interesting. Not to mention that the realistic physics in the game would also guarantee that you can have enjoyed the awesome hill races to the fullest. In addition, the low-demand graphics will also ensure that the game is fully playable on your mobile devices. With amazing visual experiences, Blocky Roads players will also find themselves having access to powerful and intuitive sound effects. Dive into incredible blocky road races as you enjoy eye-catching soundtracks, find extremely interactive races with detailed sound effects, and more. For those of you who are interested in racing gameplay such as Wheels: Race Off and others, Blocky Roads should definitely be the next title in your list of the most favorite mobile racing game. And with the game being completely free and unlocked for you to enjoy, we simply see no reason to deny it.
